

Data Policy

Errwood Fly Fishing Club

The following Data Policy, required under the European Union's General Data Protection Regulation, which is also mandatory in the UK, has been approved and minuted at the meeting of the Errwood Fly Fishing Club held on 25 April 2018:

1. The Club will hold only details of members provided by the members themselves via the New Members' form or the Membership Renewal form. Each member's signature will constitute agreement to the holding of this personal data.
2. If a member resigns from the club either during or at the end of the season, his or her personal details will be deleted by the Club once the renewal process for the following season is completed. This date will be specified on the Renewal Form.
3. Personal data collected or held by EFFC is for the use of EFFC only. No data will ever be disclosed to third parties without express and prior written consent.
4. These details are restricted, on a password protected basis, solely to the following officers of the club for the performance of their respective duties:
Chairman
Secretary
Head Bailiff
Treasurer
Events Manager
